

"TCU" THERMOELECTRIC COOLING UNIT

Description: **200 W**

Standard color:

Type of material:

Fixing system:

Protection degree:

Electrical connection:

Sealing:

Approvals:

RAL 7035 and RAL 7032

Plastic parts in PC/ABS alloy. All parts self-extinguishing, according to UL 94V-0

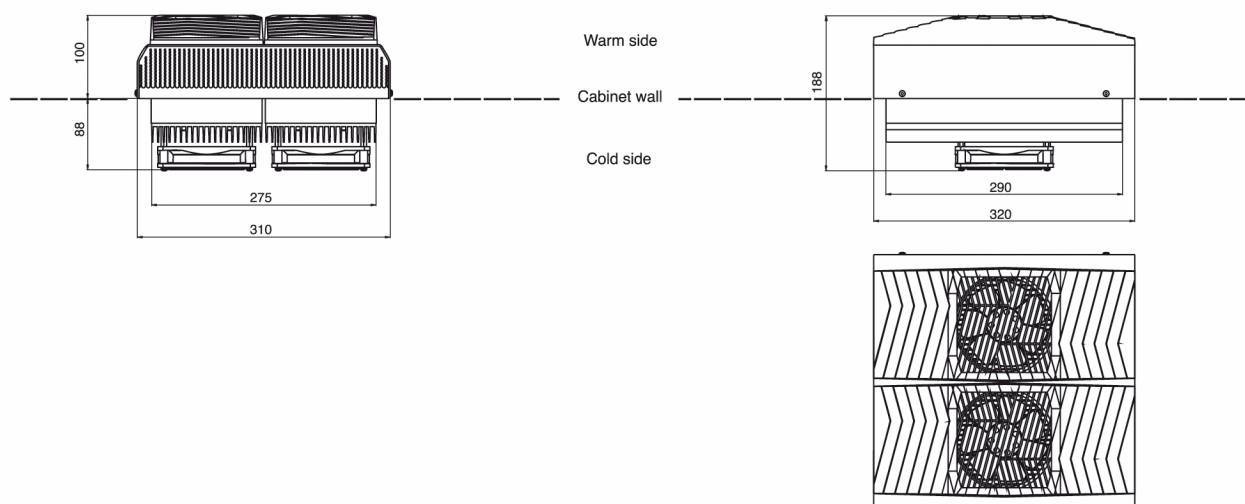

Through mount with ISO M5 screws (not supplied) as indicated in the mounting cut-out. Adjustable for any plate thickness IP55 protection degree of the fan (warm side), according to EN 60529

by 4 pole Cage Clamp® connector

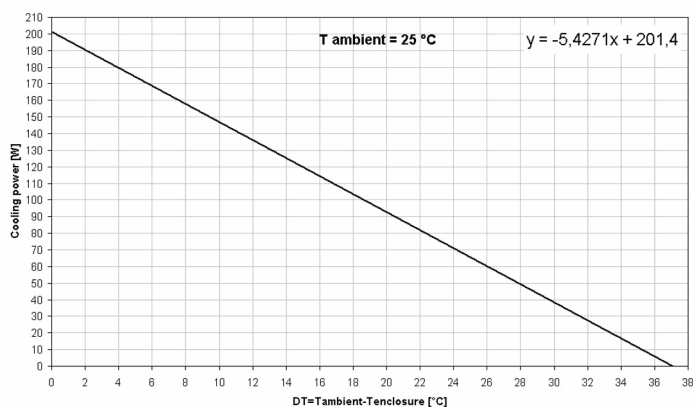

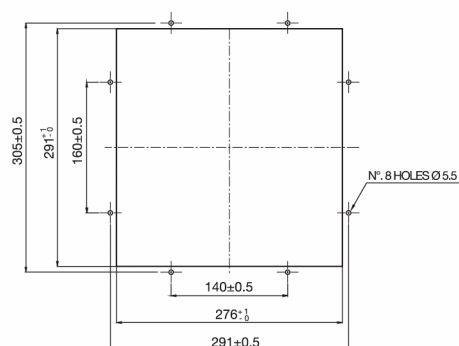

permanent sealing gasket in closed cell foam polyethylene

CE
