

TPW1200 Solar Generator

Product number TPW12000

1080Wh

TPW1200 is a portable power station up to 1080 Wh of storage capacity, with 100VAC outlets, plus USB-A and USB-C outlets. It should be able to power almost anything you can bring with you camping or off-grid.

TPW1200 Solar Generator

Product parameters	
Battery capacity	1080Wh
Battery Type	Square aluminum shell battery
Inverter	pure sine wave
Fully charged time	DC: 5V~28V/6A: 5~6h
Charging method	Adapter: DC28V/6A Solar Panel: 18V/40W/60W/80W/100W
DC output	DC1/DC2/DC3/Car Cigarette*2 Lighter:12V~13V Wireless Output:15W
AC output	1200W (peak 2400W)
USB output	Type-c 1/Type-c 2: PD 100W USB1/USB2: QC3.0 18W USB3/USB4: 10W
2W super bright LED light	Steady on/flashing/SOS
Battery indicator	LCD display
Cycle life	1000 times
Size	338.1 X 247.0 X 245.1mm
Weight	11.7Kg
Charging mode	CC/CV
Accessories	28V/6A adapter
Solar panels (sold separately)	18V100W recommended
Solar Folding Bag (sold separately)	18V100W recommended
